NOVAGARD QUALITY POLICY

Novagard is grounded by our Mission, guided by our Values and inspired by our Vision. By following these principles, we will accomplish the following objectives:

Novagard strives to safely meet or exceed our customer's requirements and comply with applicable regulatory and statutory requirements.

Novagard is committed to continuous improvement through the investment in employees, quality systems, safety and technology.

Each employee believes and shares in these efforts.

Mission

Work hard to meet the evolving needs of our customers through the development of products tailored to their needs. This is a commitment that has guided us over 40 years and will keep us moving forward.

Vision

To be a leading company in the Sealants, Foams, Coatings and Thermals businesses distinguished by our commitment to our people and our customers globally.

Values

- Safety
- People
- Teamwork

To keep us safe, continued investment in our people and working together as one team. **TOGETHER WE ACHIEVE MORE**, while always striving to improve our operations, doing what we do with pride and high standards.
